VOLUME XVIII NO.1 2001

JANUARY FEBRUARY MARCH

DAVIS COUNTY GENEALOGY SOCIETY REGULAR MEETINGS THIRD THURSDAY OF
EACH MONTH. BLOOMFIELD PULBIC LIBRARY.

President: D. Sue Spilman
Vice President: Archie Rupe

Treasurer: Dorothy Goldizen
Corresponding Secretary: Dorothy Goldizen

Dear Members and Friends

Here we are well on our way on to the year 2001. The weather in Iowa this winter has made it impossible to plan anything or to follow through on planned meetings. We have not had an official meeting since November. That is why the officers listed above have not changed. We were to elect new officers at the Annual Meeting in December but had to cancel due to weather. (January—no meeting; February—not enough members present to hold a meeting; and March—meeting canceled because of weather.

Those of us currently holding offices need a change—we have been in office for 2-3 years. Change is needed—we are getting stale. We would like to have volunteers but we know that this usually does not happen. (I don't volunteer like I should either) So if we call you and ask you to help us out be taking an office please give it serious thought and then say 'yes'. Local members are the backbone of our group and we have always had an abundance of support from this group of members. Don't let the group down. Give us some of your time and talents. The ones of us who has been officers will always be here to help and give advice but we need a break from carrying the load. Thanks for your help.

Summer will be upon us before we know it. Make plans now for that genealogy vacation. How about planning one for here—Davis County IA. To make that genealogy vacation a big success—do your homework before leaving home. 1. Look over what information you have. 2. Make a list of what you want to look for—in order of importance. 3. Use a map and plan your route—so that you can get the most out of your time. 4. Write to the library or a genealogy society to find out about library hours, researchers in the area and public access to courthouse records. 5. Take plenty of change for copy machines. 6. Take pencils & paper and charts with pertinent information. 7. Do not expect to take all your notebooks or briefcases into research areas. 8. Do not expect someone else to do your research—the fun is doing it yourself. 9. Most important—have a good time.

If you can't afford to leave home for a genealogy vacation—plan to spend a day or two at home organizing your notes, inputting your information into a computer program or going to your local library and doing research. Whatever you do remember all the dedicated people who helped collect the materials you were able to use. Leave something for the next researcher by leaving your ancestor chart or by not destroying the research materials.

Waiting for Spring
