FROM THE PRESIDENT / EDITOR

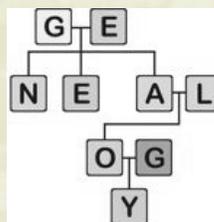

This newsletter comes shortly after the last one for 2007. With good reason. We are about to embark on a DAVIS COUNTY HERITAGE ROADSHOW!! We want to get the word out, so that many of you can attend!

The intent is to get the public to attend, and to regain interest in the History and Genealogy of Davis County and surrounding areas.

A one day seminar is in the works, and we will have key speakers, with interesting topics. Show & Tell will be fun, and of course the Oral stories that we will hear. Other Societies and Committees will have much to share also. Here is the one place to get your fill of Ancestry and History, and have

fun doing it.

We have reserved and scheduled the Word of Life Youth center to host our event. The date is set for

www.iagenweb.org/davis

April 5, 2008. It will be here very quickly and would like to see each of you there. Please advertise for us by word of mouth. We would like to have a great turnout, for this first annual event. If

all goes well, we can do it again. Pre registration is preferred.

Just a reminder, the Davis County Historical Society is in need of memberships. They have many repairs and upkeep costs.

Do you have pedigree charts or something that you would like to include in the newsletter? Send to our PO Box.

Remember we have a new microfilm reader printer scanner, and also have many hours ahead of us to convert the microfilms to digital. Any volunteer willing to spend some time doing this, can be coached on the how-to's and the time will be well spent.

Enough for now.

Deb Barker

COUNTY FAIR

Remember that we do exhibits and judging at the County Fair in July. Be sure to get started on your projects and we welcome volunteers to man the booth also. The fair rules and categories are not refined for this year, but will be along the lines of what we

published last year on the web. Be sure to get started! What a great time it is and very informative, the judge has great expertise in this field, and the information that he shares is priceless. Don't know what to do to archive, or preserve that book? What about

the worn document, you have? Judge Jay DeYoung, will not let you down. Family heirlooms and historical pieces are easily savored if we do it correctly. More of preservation at our County History Road show! Be sure to attend. Pre-registration is encouraged.

Welcome to our newest members!!

ANNUAL SURNAME LIST

Visit us on the
Web
www.iagenweb.org
/davis

While the annual surname list has made up our first volume of the year, in the past, I have chosen to review this occurrence. Most of our membership remains the same from year to year, and new members are hard to come by. The Surname search list is more or less the same as last year, and if anyone is interested in having it, just email me at iadavis@netins.net, and I will send this out to you. Last years [2006] can be found in Vol 24 No 1. Above this article you can find the newest members and their information, that was not included in the 2006 surname list. Remember, this is the very LAST issue of the newsletter you will receive if membership is not paid by the end of March.

QUERIES

Contact kanadumt@msn.com for information on Rime/Eberline; has many questions.

Seeking information about Harward Special and/or Sheaffer Special watches and any relationship between Leroy S. Harward and J. R. Sheaffer or W. A. Sheaffer of Bloomfield. Were Sheaffer and Harward related. Each had a store in Bloomfield; Sheaffer had a jewelry store and Harward had a dry goods store. Could Sheaffer have taken over Harward's business or location? What were the addresses? When was each in business? Sheaffer had a nephew as a partner, could this have been Harward? Any other information on these watches would be welcomed...

Thank you,
