

DAVIS COUNTY GENEALOGY SOCIETY

Volume 33 Issue 3

I find it difficult to manage time for newsletters, web page updates, volunteering at the library, researching or walking cemeteries.

So I feel that by asking each of you to give some time to do the same, is hypocritical.

Our society is very near extinction. Volunteers, quorums, New Members, researchers: all down all the way around.

This newsletter will not be very informational, but more along the lines of solicitation. Please renew your membership for 2017. Please dedicate 1 day to volunteer, Please come to a monthly meeting,

Our little library has so much to give, we are the stewards of these treasures, Help us.

I have moved out of the area, and the distance has become a barrier, that I would rather not use as an excuse. I hope that those of you on a local level will continue to be everything you can be to DCGS, we appreciate you!

I continue to be Rep for Region 9, and cannot find the time to visit other societies as needed, along with occasional trips to IGS.

Is there someone willing to take on an officer role? Elections are coming up, new fresh blood is needed to keep the excitement in Genealogy at the County level.

~ Deb Barker, President DCGS
