President Pat How called a special meeting of the Davis County Genealogy Society on March 4, 2002 for the purpose of discussing the purchase of a different microfilm reader/printer. As many of you are aware our current reader/printer has not been working properly for quite some time. We have been looking at major repairs or purchasing something else. Dorothy Goldizen had contacted NMT (New Millennium Technology) from Indianola IA for information on the purchase of a reader/printer. They have given the society three options on the purchase of a reader/printer. After discussion at the meeting it was moved and seconded that we purchase a re-conditioned reader/printer from NMT for \$3025.00. The company will purchase our current reader/printer and install the new one with a training session for us within a few weeks. Just in time for Spring and Summer visitors. We have a great deal of information on microfilm that has not been used to its full potential and we hope that this new machine will encourage more people to use the materials.

The first newsletter of every year is dedicated to our Davis County Surname List and Surname Index. I update this list every year with the information received from you the members. I do make mistakes (Surprised, aren't you) so please let me know if something

is wrong so I can update information. If it is something that needs to be reprinted I will or if it is minor it won't change until the next time it is printed. A lot of members are listed in this but many have not sent in any information. If you want to be included please fill out the form that is in the newsletter.

NOW IS THE TIME TO RENEW YOUR MEMBERSHIP FOR 2002. REMEMBER THE MEMBERSHIP DUES ARE \$7.50 FOR THE YEAR.
