Dear Members & Friends

Summer has finally got here!! Although this last week in Iowa would put doubts in your head, it has been rainy and cool.

As you can tell by the feel of this newsletter, something is different. It is heavier than usual. After two years of procrastinating I finally have the Surname Index ready to print. The original plan was to publish this list once a year, but I never got it done after Jerry Greene died. Jerry was the one who kept track of all the slips you sent in and he had put them on a computer diskette. Sounds very good so far. After his death I "inherited" a lot of his genealogy boxes. Only problem was I was unable to find the diskette with this information on it. So after putting it off for a long time I decided to start all over. I had printed copies of what Jerry had done, I just needed to put it on my computer and add all the new ones we've gotten the last few years. It really wasn't as bad as I expected. Just took me three days.

Since the amount of pages for the Surname Index was more than what I put in a newsletter and I didn't want to do part in one issue and part in another issue, I decided to combine two issues. So this issue will be for April—September 1998, VOL. 2 & 3. Don't look for another newsletter until the end of the year.

With warm weather here our group will again start working on re-checking cemeteries in Wycondah Twp. Hope to have it done this summer and sent to IGS for profit share in fall or winter. Anyone who would be interested in helping to out to the cemeteries or typing up the information come to the June meeting. All help is welcome. WPA Grave Registration project and 1870 Davis County IA Federal Census projects are moving along.

My page is about full so I'll quit rambling and get on to the next project—mowing my yard.

Good luck in your research
D. Sue Spilman, President
