

## Old Stone Cemetery 1977 Gravestone Survey by Ray and Mary Thomas

This listing is based on a 1977 gravestone survey of Old Stone Cemetery completed in July of 1977. They started in the SW corner of the cemetery and walked each row south to north.

The list has been modified to indicate the row and position within each row. Marker numbers are based on the 1977 survey. They simply indicate which given names were listed under the same surname and do not necessarily indicate shared grave markers.

Some date information, many maiden names, information about names of parents and spouses, and some information about military service was added by Paul French in November 2013. Corrections are welcome.
