ELMA SPORTSMEN'S CLUB

The Elma Sportsmen's Club is one of the oldest existing clubs in Elma. Throughout the years of fish fries, turtle feeds, and sports shows, the Elma Sportsmen's Club has planted thousands of trees, bought aerators to prevent winter kill, had a hand in creating Lyahs marsh and several other conservation projects. It is our concern that if we don't take care of what we have today, it won't be here for our children tomorrow. We, the members of the Elma Sportsmen's Club, are proud to be part of the Elma community on its 100th birthday.
