Anistina Regenberg ??

Born/died Germany? Married William Lorenzen

Fritz's first wife died before 1875; her name, where she was born, died and where she is buried, is unknown at this time (assuming Germany). After she died, Fritz remarried Ernstina Bliefert (also spelled Blivert/Bluffort/Blevert?) - born 16 March 1847 in Germany - the date of their marriage is unknown; I am assuming they married in Germany.

Fritz was 25 years older than Ernestine. Children of Fritz Regenberg and Ernstina Bliefert:
Unknown Regenberg - Born? Died Germany? (Could this child be Anistina?)
