

Nora Mardelle ✓ Schechinger, 27 days

Nov. 12, 2017 - Dec. 9, 2017

PANAMA - Nora was born on November 12, 2017 at thirty weeks pregnancy at Bergan Mercy Hospital in Omaha, Nebraska. She was ten weeks premature and weighed 2 pounds 4 ounces. When she was 5 days old she was transferred to Children's Hospital and under went intestinal surgery two days later. Then doctors discovered a coarctation, a heart defect which would require surgery. As she grew stronger each day and with the prayers

of many loved ones her little heart was able to correct itself on it's own and no surgery was necessary. She proceeded to improve in health and gain a little weight each day over the next couple weeks.

On December 9, at 2:00 PM, Nora developed a sudden intestinal infection that spread very rapidly through her body. Nora was baptized by the hospital minister in the minutes proceeding her death. She passed at 3:40 PM in her parents loving arms.

Nora was small but mighty and very beautiful. She was very much adored by all the nurses and doctors who cared for her, many in her short stay here on Earth. Nora will hold a special place in the hearts of her mom and dad, siblings Graham and Gretta. We love you Nora and know you will be our guardian angel.

Nora also leaves to cherish her memory, her maternal grandparents Gary and Becki Petersen of Muscatine; paternal grandparents Robert and Norene Schechinger of Panama; many aunts and uncles; cousins; other family members and friends.

An 11:00 AM Mass of Christian Burial was officiated by Rev. David Smith S.J. on Wednesday, December 13, 2017 at St. Mary's of the Assumption in Panama. Interment was held at St. Mary's Cemetery in Panama.

Pauley Jones Funeral Home was in charge of arrangements.
