

FEB 24. 43

Dear Mother:

Here Samagaw. One of the boys was saved last night. He has been more or less of a black sheep always getting into trouble but God saved his soul anyhow.

He has been awol for a whole day and that might make it rather tough on him. I asked Jim if he would let him go to church & Jim said he would. If we can just get his feet planted good and strong on the rock he will be a real witness.

The phone call cost \$7.55. That was worth it to me know about you. I have a \$100.00 bill but I am afraid I am going to have to break it. Because I'm

taken out. He must pay the
first payment in a Money Order.
I'm o.k. just a little hoarse
hoarse though. I had a
touch of flu again Sunday
nite but God touched my
body & I'm o.k. The fever
broke some time in the
night. I just had that taste
in my mouth that a fever
leaves.

I was glad to hear Betty.
She talks like a sensible
person. What do you think
of Kendrick's? They sure have
been good to me. I am sure
glad that people take me in as
one of their own. Their girl
Floy is the leader of the young
peoples group & also the Song
leader. That church would sure
be a flop with out her.

Things are really moving
there now. Nearly every night

Some one gets felled with the Holy Ghost. I didn't stay until they got through last night.

I came back to the camp with the Boy that was saved. If he hadnt been a w.o.b thing might be better. I don't know what kind of punishment he will get. The truck is in now so Its time to go to work. Today is Tuesday, its fast day for us. So bye until later on. The weather is rather chilly but the birds are singing. Spring is here and the peas + things like that are coming up and things look nice. There aren't a leaves on the tree yet. Well I must stop now so bye for a while.

See I am again. I had my

by my bed and I tossed my
knife up & hit it & it has
been running all night &
so far today. Its 90 after
one pm now.

I sure wish you could get a
job. If you need money I
have plenty. Don't feel so
down hearted because I'm not
there. In regards to the lean
all I can say is I'll get
it as soon as possible I think
I'm the first one in the new
detail to get one. If heaven ever
the Lord wills it I'll get one.
I had to walk back from
town today at noon, so did
everyone else. There wasn't
any truck here.

The boy that was saved
was sent to Grangerille to
do some work. He'll be
there for a week or so.

I have killed out my own

first payment. \$ 3.45. For 5000
I had had that much in
that is all the news. I got
a letter from you & from
Sister Valand today. One
from Mary & Carl & Utterback
and the recommendation
from Farrell. The recom-
mendation has a notary's
stamp on it. It's sure is
a nice one.

I can't say for sure that
I feel the leading of the Lord
in it but yet I doubtful
a definite no. So there I am
I am not going to hurry
into anything.

Well I guess I'll stop now
so, lots of love to you the
dearest mother in the world.
To me, to Grand. Tell
everyone hello & one extra hug
