Verse

To the Child in My Heart

Oh precious, tiny, sweet little one
 You will always be to me
So perfect, pure, and innocent
 Just as you were meant to be.

We dreamed of you and of your life
 And all that it would be
We waited and longed for you to come
 And join our family.

We never had the chance to play,
 To laugh, to rock, to wiggle.
We long to hold you, touch you now
 And listen to you giggle.

I'll always be your mother.
 He'll always be your dad.
You will always be our child,
 The child that we had.

But now you're gone...but yet you're here.

We'll sense you everywhere.
You are our sorrow and our joy.
There's love in every tear.

Just know our love goes deep and strong.
We'll forget you never--
The child we had, but never had,
And yet will have forever
